

Okanagan Hardwood Flooring is pleased to offer our Hardwood Flooring Cleaner Program.

The details of the program are as follows:

1. Past and future customers are eligible.
2. The cost of the program is **\$85.00 plus tax**.
3. The customer will be given a 3.78 litre jug filled with *ready to use* Bona X cleaner.
4. The customer may return with the *same* jug and have the jug filled at no charge - a maximum of once per month for a period of *ten* years.
5. The program is an exceptional value. Whether you are refilling once a month or twice a year, you are still saving money! Therefore, there will be no credit given for the month(s) where no cleaner is picked up.
6. The cleaner is for use on the customer's hardwood floor only.
7. A replacement jug will cost **\$5.00 plus HST**.

The Hardwood Flooring Cleaner Program is available to people who have not purchased their hardwood floors at Okanagan Hardwood Flooring Co. Ltd. for the cost of **\$100.00 plus tax**.
